

The Sennhütte

A Tradition That Inspires!

For over 40 years, the Sennhütte in St. Anton am Arlberg has been an essential part of alpine hospitality. Now in its second generation of family ownership, the Senn family runs the hut with heart and passion, creating a perfect blend of tradition and modern zest for life.

Summer Nature Experiences

The Sennhütte is not only a place for relaxation but also a gateway to unforgettable nature experiences. The lovingly designed WunderWanderWeg, a highlight for nature enthusiasts, offers attractions like the "Nature in Transition" trail, SENN's Alpine Flower and Herb Gardens, an adventurous wooden marble run, an exciting natural playground, and much more. For hikers and walkers, the hut is the perfect spot to unwind on the sunny terrace after a long tour. Here, guests can enjoy homemade specialties, enhanced with fresh herbs from the hut's own garden.

Winter Hut Magic

In winter, the Sennhütte transforms into a vibrant hub for skiers and winter lovers. Several times a week, starting at 3:00 PM, live bands invite guests to end the day with music and dance. The sun terrace offers a breathtaking view of the snow-covered mountains, while guests are treated to homemade delights. A special highlight is the award-winning, homemade schnapps that perfectly complements the winter hut experience.

The Sennhütte charmingly combines tradition and modernity. Whether in summer or winter, you'll enjoy an extraordinary experience for the whole family all year round.
